Cooktop Zones

Rear Left Zone:	7.0 Mj/h
Rear Right Zone:	7.0 Mj/h
Front Left Zone (Wok):	19.0 Mj/h
Front Right Zone:	4.1 Mj/h

Dimensions & Weights

Built-in dimensions (W x D):	560 mm x 490 mm
Unpacked height:	4.6 cm
Unpacked width:	58 cm
Unpacked depth:	51 cm
Unpacked weight:	11.8 kg
Packed height:	18 cm
Packed width:	67 cm
Packed depth:	60 cm
Packed weight:	13.3 kg
SKU:	7751688383
Ean Code:	8690842424236
Manufacturers Warranty:	2 Years + 3 Years by Registration
Launch Date:	April 2021

BCT60GX1

60 cm Stainless Steel Gas Cooktop

High Efficient Gas Burners - Helping you save money on your energy bills, the special design of our high efficiency gas burners helps them distribute more heat quickly and evenly across the bottom of your pan. This makes them up to 25% more efficient than standard burners and can cut down cooking times too, helping you get dinner on the table up to 35% quicker.

High Power Wok Burner - Great for cooking stir fry, the wok burner evenly distributes 19Mj/h of high power heat across the bottom of your pan. Not only does this improve cooking performance, but it can also save you time in the kitchen by cooking your food faster too.

Gas Safety - It's easy for a flame to go out when you're not around, unleashing dangerous gas into the house. The Gas Safety feature will detect when a burner flame is extinguished by an over-boiling pot or a gust of wind, and shut off the gas supply. No leaks, no worries.
