

L30 Ultra S

Reach further, clean better

L30 Ultra S ensures comprehensive cleaning of hard-to-reach areas with MopExtend™ RoboSwing Technology. Its powerful 13,000Pa suction quickly picks up paper scraps, cat litter, dust, and hair. Keep pet areas clean, reduce manual cleaning, and minimize hair entanglement and ground moisture for healthier pets. Enjoy customized carpet cleaning, up to 75 days of auto-emptying, automatic mop-cleaning, hot air drying, and automated water refilling for weeks of hands-free cleaning.

Key Features

MopExtend™ RoboSwing Technology

Effortlessly reach tight spots up to 4cm* deep by twisting and navigating around tables, chairs, and skirting boards, ensuring thorough dirt removal along edges.

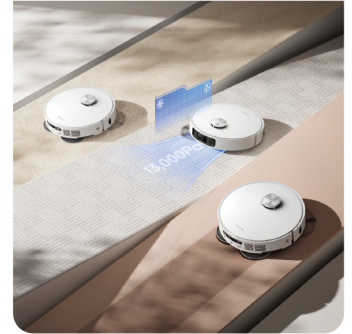

13,000Pa* of Suction Power

Unleash powerful 13,000Pa suction to tackle dirt and hair. The floating rubber brush easily manages hair, while ultrasonic carpet recognition and mop lifting enhance carpet and rug cleaning.

Fully Automatic Base Station

Maintain your robot vacuum effortlessly with 75 days* of auto-emptying, mop washing and drying, water refilling, solution adding, and more. Enjoy a truly hands-free cleaning experience like never before.

Customized Carpet Cleaning Strategy

L30 Ultra S offers multiple carpet cleaning modes, vacuum and mop, mop raising, intensive carpet cleaning and suction boost, carpet avoidance, and more. Letting you choose the best method for each carpet in your home.

*4cm: Based on our in-house lab data.

*13,000Pa: Based on our in-house lab data. Actual performance may vary depending on the real-world environment and usage.

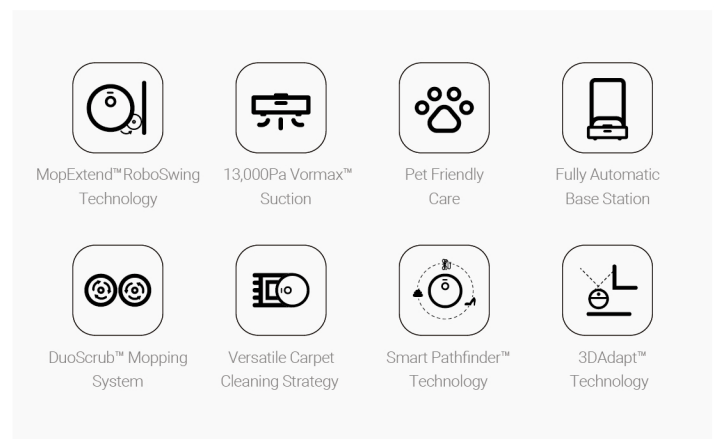

*75 days: Based on a calculation derived from environment testing in our in-house lab. Actual performance may vary depending on the real-world environment and usage.

Specifications

Robot Vacuum:	350 x 350 x 97.2mm
