

# Pocket Uni

## High-Speed Hair Dryer

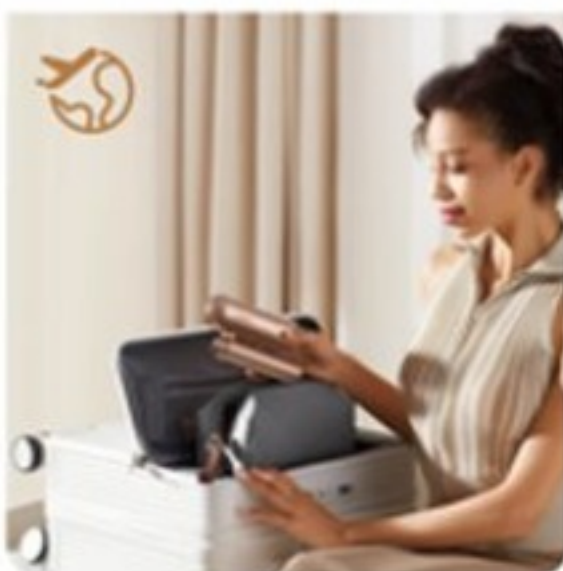

Pocket Uni is a compact, high-performance hair dryer with plasma ion tech, SmartVolt™ AI for global use, and versatile styling features. Its dual-air-duct design, five modes, and anti-frizz nozzle ensure sleek or curled looks anywhere.

### Key Features

#### Compact, Lightweight, Foldable

Pocket Uni, weighing only 330g\* and featuring a 54mm\* compact body, folds easily for travel. Its 'N' is for storage, the 'I' form is for curls, and the '7' shape styling is for sleek finishes.

#### SmartVolt™ Global Voltage Compatible

SmartVolt™ utilizes AI power to automatically adjust voltage for adjustable operation across countries. With global compatibility, it ensures stable performance within a 100-240V range, maintaining consistent functionality.

#### Versatile Attachments for Styling

Enhance styling with versatile attachments, including a unfrizz nozzle and two barrels for defined curls in different directions, enabling quick, precise styling without adjusting the dryer. Dual curling barrels boost styling efficiency by 70%\* and enhance curl longevity by 12 %\* compared to the previous model.

#### Plasma Ions Care for Your Hair

With 300,000,000\* plasma ions/cm³, it releases reactive oxygen species and negative ions to effectively neutralize static and smooth your hair. Compared to ordinary negative ions, it leaves hair smooth and less frizzy.

### Specifications
